February 2023

BEHIND the SEAMS

happy valentines day!

Matters of the heart have our attention for many reasons this month. February is American Heart month and we want to shine a light on the importance of a healthy heart and supporting organizations such as the American Heart Association.

Additionally, we love to celebrate our new and long-time members by sharing their successes, events and offerings to support their businesses and services.

Finally, at the heart of our organization, we are raising funds for scholarships to benefit students in the fashion industry. We are excited to receive the applications submitted by students throughout the valley hoping to garner one of our LVFC annual scholarships. Our team is reviewing those now and we will be announcing the recipients for the 2023-2024 scholarships in the near future. We applaud each of these talented and aspiring students to further their education and goals in the fashion field.

Wishing you a February filled with moments that make your heart smile.

Warmly,
